

Pan London Support Worker Voice event

20th March 2020 09:00 – 16:00

Ambassadors Bloomsbury Hotel, 12 Upper Woburn Place, Euston, London, WC1H
0HX

A collaboration of Education Leads & Support Workers

The purpose of the meeting is to provide a platform for you to actively contribute to the Support Worker agenda across London.

Attendees are encouraged from Education roles and those in both clinical and non-clinical Support Worker roles.

Together we will look at how to sustain the Support Worker agenda through the changing landscape of the NHS. Learning and Career journeys will feature on the agenda – let us know if you would like to showcase your experience or a day in the life doing your job. We would also like to hear if you have long service in your role.
